25X1 8. [ ] Mrs. Florence in the office of Senator John Cooper (R., Ky.) said they had received a communication from the parents of [ ] who were concerned about his well-being. After checking with Mr. [ ] and Personnel, I told Mrs. Florence that we had no record and suggested she check with AID. She was most appreciative.

25X1A 9. [ ] Mr. Maury and I met briefly with Ed Braswell, Chief of Staff, Senate Armed Services Committee. Mr. Maury told Braswell we were anxious to cover the SS-9 subject which he had mentioned to us yesterday in considerable detail when we meet with the CIA Subcommittee and he asked Braswell about the time frame which he thought should be covered. Braswell said he thought we should go back to the beginning of our estimating on the SS-9 program and bring it up to the present. We also covered with him his question on the capability of submarine detection via satellite. This prompted Braswell to ask us to give him a rundown on submarine surveillance by aircraft. We are looking into this.

25X1 10. [ ] Hand-carried to J. Sourwine, Chief Counsel, Senate Internal Security Subcommittee, a copy of Halperin's text on "The National Liberation Movements in Latin America."

25X1 11. [ ] In response to a letter from Senator Ellender on behalf of constituents in Louisiana who are interested in the translations of unclassified material in Arabic, Mr. Maury and I talked with Mr. Jim Guirard, the Senator's Administrative Assistant. We explained that unclassified work is done through JPRS and told Guirard the open story of the JPRS function, and left with him application forms and sample materials which had been translated from Arabic which the Senator could forward to his constituent, [ ]
